

PRESS RELEASE

Seagate Properties, Inc. Supports Marin County's Italian Street Painting

SAN RAFAEL, CA, November 21, 2013 – Seagate Properties, Inc. was a proud sponsor during the Italian Street Painting Festival, Marin County's inaugural event held this year in San Rafael on July 13, 2013. Not only were thousands of local residents able to experience the magic that is the performance art of street painting, many people in the community will also benefit from the grants that were issued to local nonprofit 501(c)(3) organizations for arts education and scholarship programs in early 2014.

Pictured below, the photograph of the artwork created for Seagate's sponsored square.
